Discover Mitchell

Lake Mitchell: Besides the obvious boating and fishing options at Lake Mitchell, which is in the northwest corner of the city, there are also public beaches, parks and trails around the lake. Kiwanis Woodlot Park is especially popular, and there are hiking and mountain-biking trails that begin from there and offer lake views.

Aquatic Center: One of Mitchell's jewels is the Outdoor Aquatic Center, a multi-million-dollar family friendly facility featuring zero-entry play areas for small kids, thrilling water slides for older kids, a lap-swim area, plenty of shady spots to rest and concessions.

Parks: Mitchell has a fantastic park system, the pride of which is Hitchcock Park. Within the park you'll find the Outdoor Aquatic Center, a bandshell, a playground, a baseball diamond, a gazebo and lots of places to picnic or rest.
