

Your gift will help these agencies help others

Boy Scouts of Sioux Council - Scouting offers age-tailored, family based activities for boys ages 7-20 through Cub Scouting and Boy Scouting and young men and women ages 14-20 through its Venturing program.

Cornerstones CLC, Inc. - Cornerstones Career Learning Center provides education and workplace training for Mitchell area employers and job seekers through basic skill classes, GED preparation and testing, National Career Readiness Certificate skill development and testing, computer instruction, and short-term industry training.

"Cornerstones uses money from the United Way to fund classes at Cornerstones that help people like me get my GED and prepare for future training, education and employment in our community. For example, I want to go to technical school after I get my GED and Cornerstones helps me reach my goal."
