Plankinton is the county seat of Aurora County and is located at the intersection of two national highways in Interstate 90 and U.S. Highway 281, a factor that has proved beneficial to bringing business to Plankinton.

Given its proximity to long haul trucking corridors, Plankinton has become a natural choice for industry and distribution. Only 20 miles west of Mitchell, Plankinton is surrounded by rich farmland, which bears some of the best pheasant hunting in the world every fall. A multitude of recreational activities including sport fishing in the Missouri River to golfing at the scenic Fish Lake Country Club await visitors at every turn.
