Learn it, live it, teach it — *healthy*.

Expand your knowledge of natural health and learn how you can get more out of life — personally and professionally!

Whether you're seeking to change careers, add new areas of expertise to your existing healthcare practice, or simply learn good health practices for yourself and your family, we have a program for you.

Clayton College of Natural Health has the advantage of being one of the first schools to offer formalized distance education courses of study grounded in natural health sciences in the United States. Our 30-year history has given the college a knowledge and experience base, along with a seasoned perspective, that is unmatched by any other.

Customize Your Education to Fit Your Needs

Our trained admissions advisors are happy to answer your questions about the costs, time involved, financing options, and prerequisites for each program. They'll help you explore how to create an education plan that fits your individual goals, personal schedule, and pocketbook. You can contact an admissions advisor by phone Monday – Friday, 8 a.m. – 6 p.m. Central Time, **1.800.659.8274** or 24 hours a day by [e-mail](#).
