

# About Us

## Company Overview

Brookmeade Healthcare has been serving healthcare providers throughout the US with their strategic software needs since 1998. The Brookmeade Corporate offices are located in Kennesaw, Georgia with services provided to healthcare systems across the entire United States. Our practice areas of expertise includes implementation and support solutions for Epic Systems, AllScripts, McKesson, Siemens, Cerner and Lawson software vendors.

- **Responsiveness**
- **Ethics**
- **Servitude**

## Our Values

**Charity:** At Brookmeade, giving back to others is at the heart of who we are.

**Authenticity:** We believe in living authentic, truthful lives. Our promise is to always honor our word.

**Responsiveness:** We will always work toward exceeding our goals with our clients, employees, and in life.

**Ethics:** We believe that without solid principles, we would not be successful in business or in life.

**Servitude:** We believe in serving our employees, clients, and communities in which we work.
