

A woman with long dark hair is lying on her stomach on a sandy beach. She is wearing a light-colored, possibly white, one-piece swimsuit with thin straps. She is looking directly at the camera with a slight smile. The background is a soft-focus view of the ocean with gentle waves. The entire image has a light blue color overlay.

SIREN

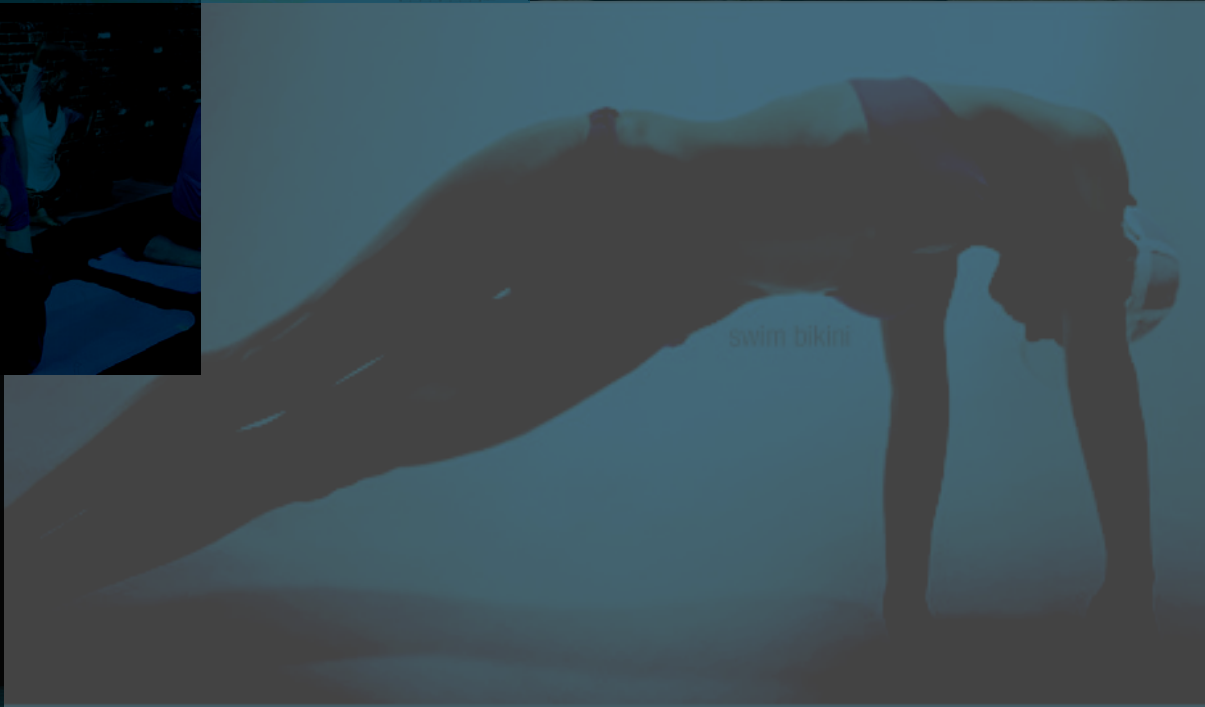

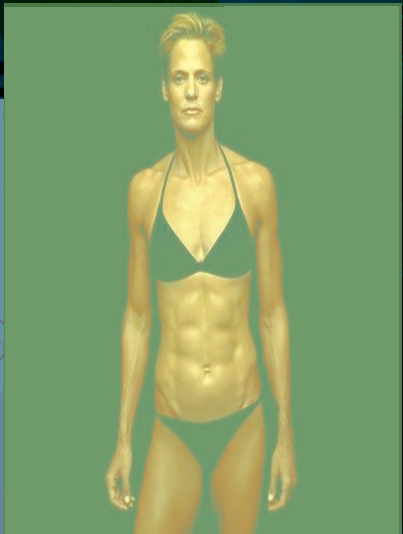

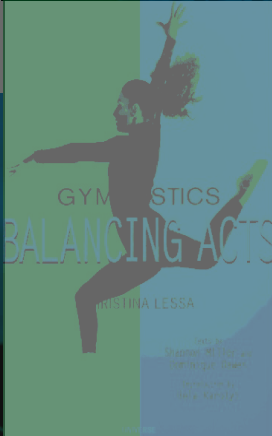

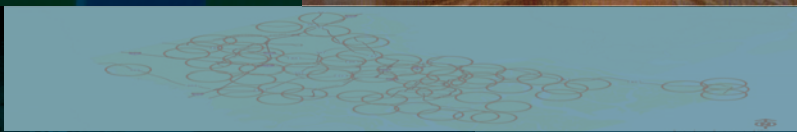

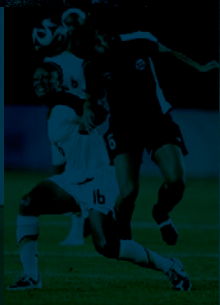

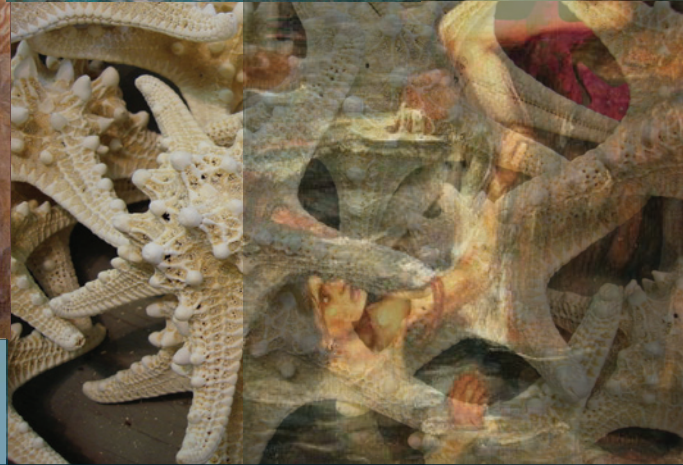

A Sports Performance Collection

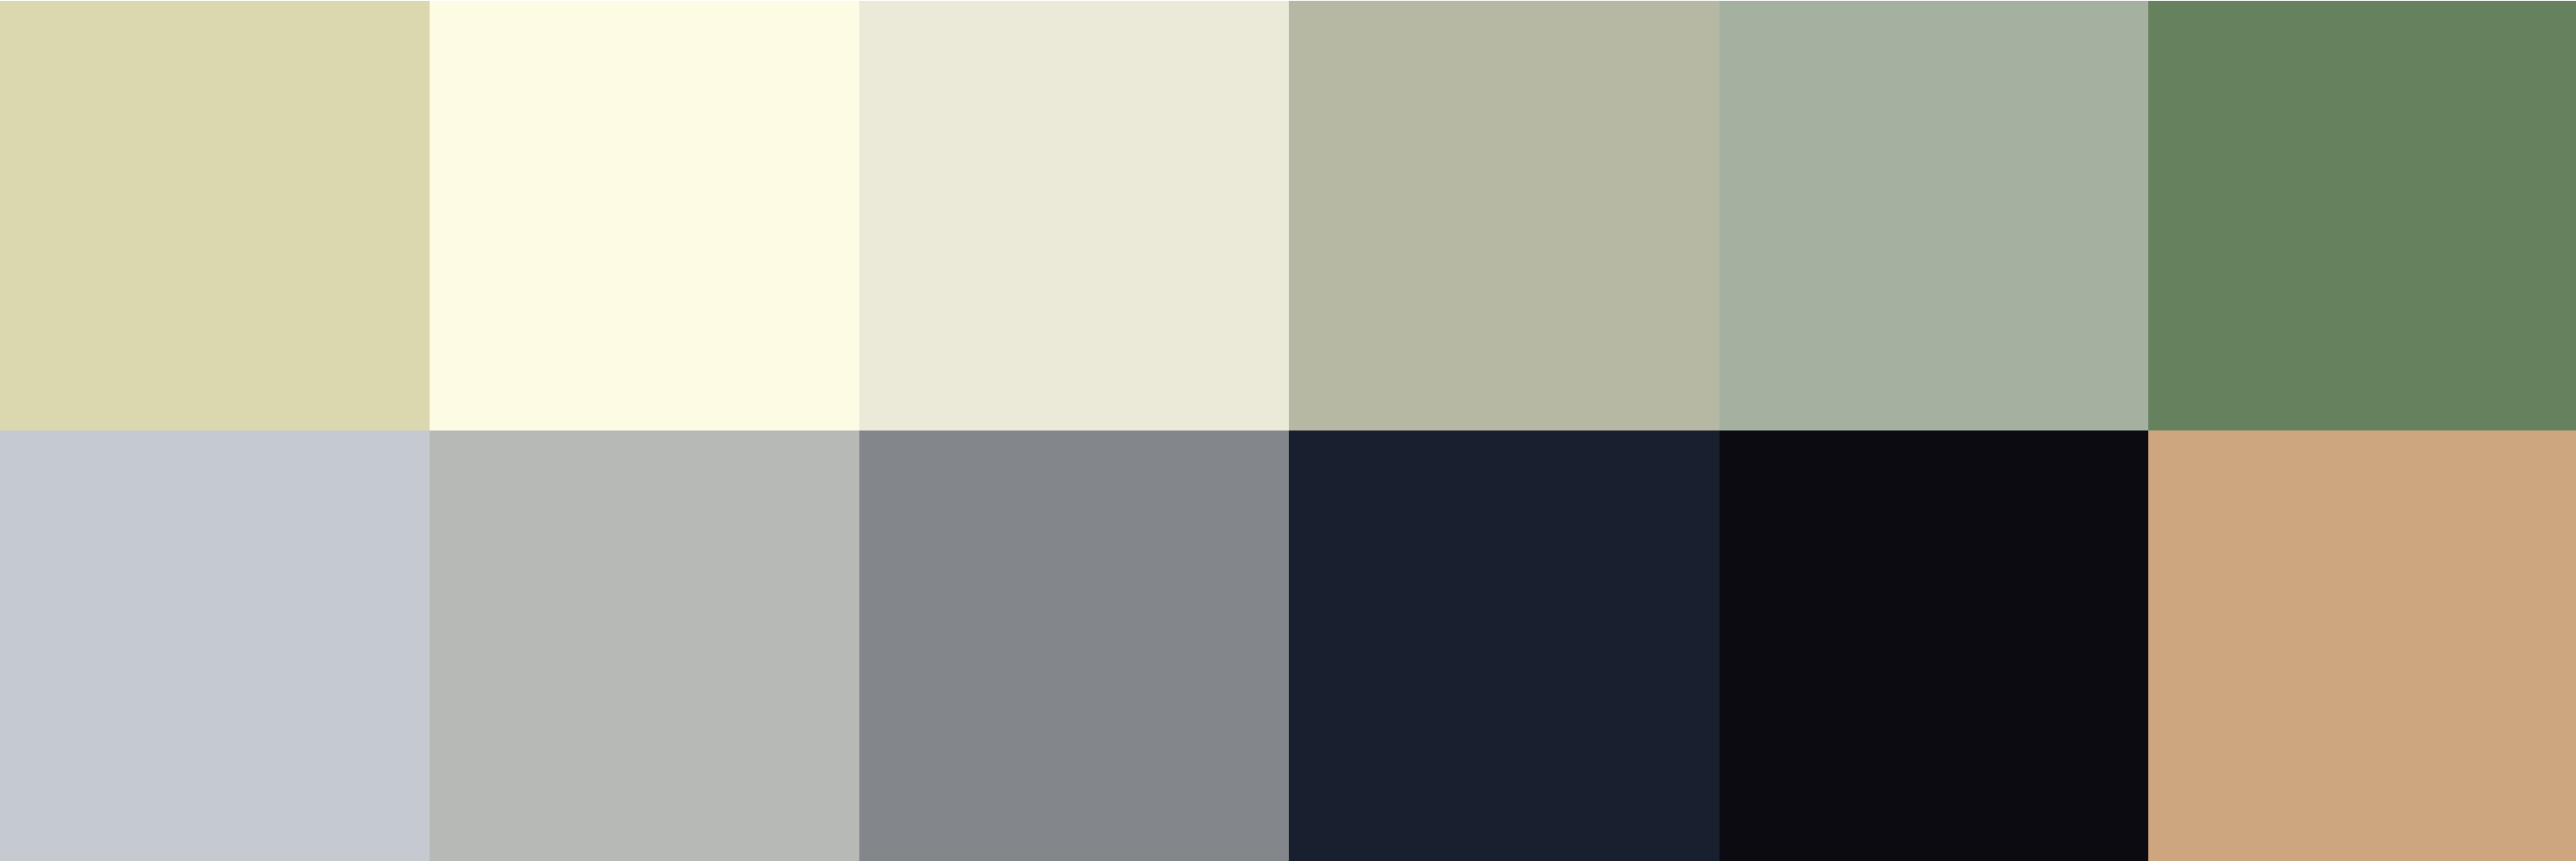

By Lauren Myers

The background of the slide is a close-up photograph of a sandy beach covered with numerous white starfish and pieces of coral. The starfish are of various sizes and orientations, some showing their characteristic five arms. The coral pieces are irregular and porous. The overall color palette is warm and natural, dominated by the beige and cream tones of the sea life against the light sand.

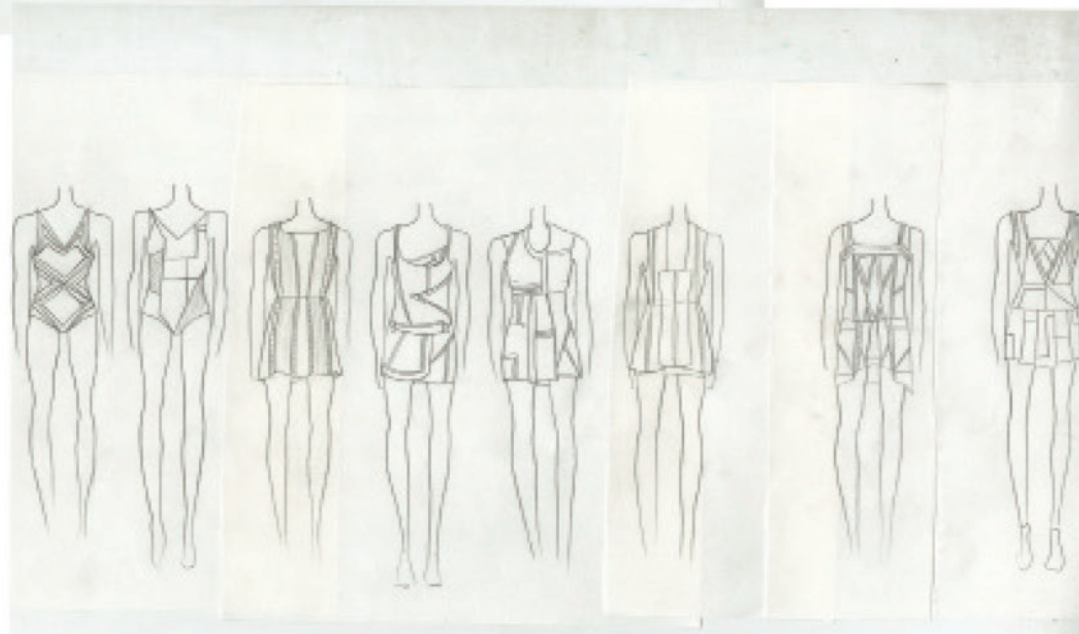

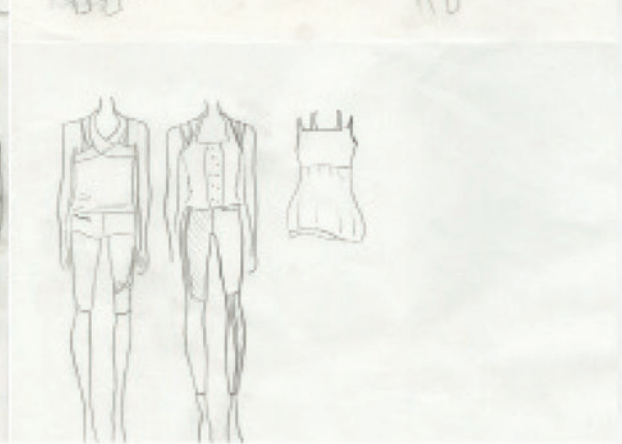

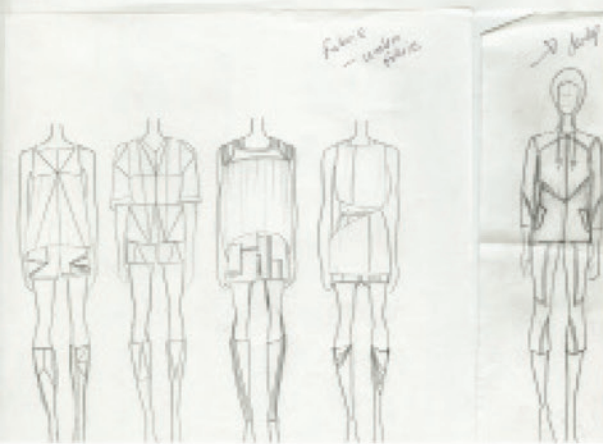

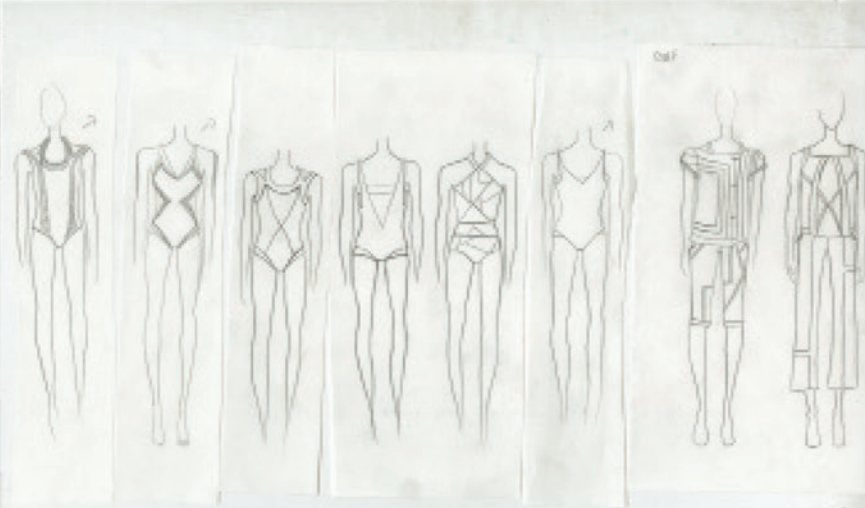

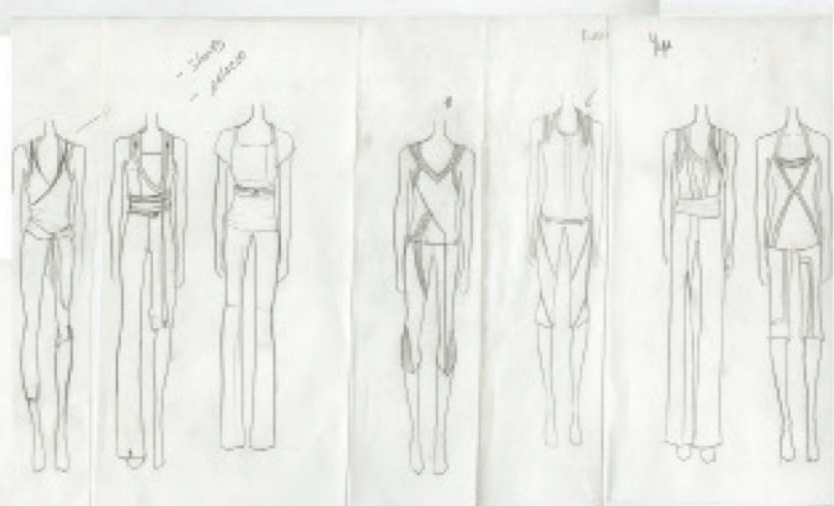

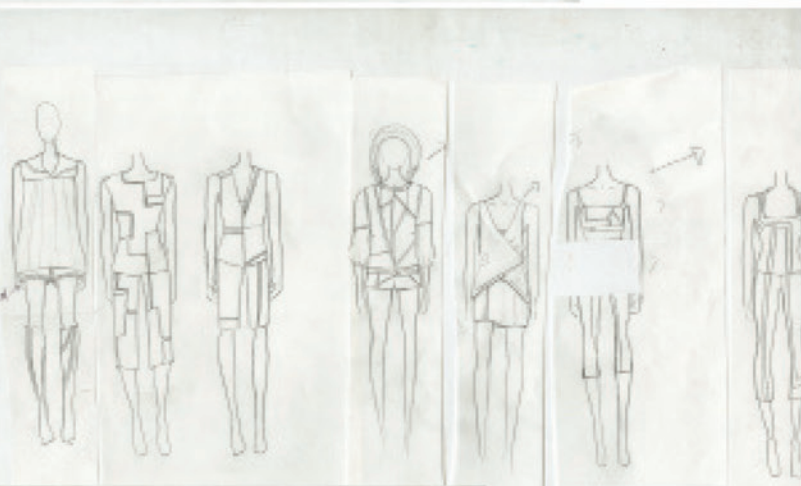

Concept

My goal for this sports performance collection has been to create athletic wear for women that is functional yet feels modern and chic. My inspiration for the color palette is the sea. Prices range from \$70-\$350
