

- Bellingham Bay, the San Juan Islands, and the many other local water bodies are a key feature of the Bellingham area. Our concept pays homage to the maritime past and present. Timeless nautical design is reinterpreted with modern touches to create a fresh, bright, and lively space. Nods to the boating life can be seen in wood plank mimicking a ship’s hull, and subtle hints of rope, rigging, sea, sand and sunsets.

Guest Rooms: Simple, clean furnishings create the perfect backdrop for interesting accents with bold color and pattern. Warm, light infused rooms create a cozy, yet open feel.

Lobby: Bold, graphic area rugs and plank style tile create a fun, updated nautical inspired design. Subtle details like driftwood accents, and creative art pieces tie the concept together.

Textiles: A palette inspired by sun and sea accents wood tones in the flooring and furniture.

Guest Bath: Circular, lit mirrors reminiscent of portholes on a ship are a focal point, with neutral warm colors.
