

Oakley Frogskin - Grenade Fade

Danny Kass, along with his Grenade Army have come up with this limited edition, one of a kind "Grenade Fade" look. This frame also has the Grenade "Love" logo etched into the bottom left lens, which is Black Iridium.

Oakley Frogskin - Rootbeer

Another classic Oakley Frogskin, a Polished Rootbeer frame that comes with a bronze Polarized lens. The bronze lens increases color contrast. Oakley produce's the most of this brown colored combination.

Oakley Frogskin - Black

The original Frogskin, comes with a Grey Polarized lens and polished black frame. If you want to look sleek yet hip, this is the right pair of sunglasses for you.
