

# Dragon Days

BY MARCEAUX WATSON

*Micko's* (realized) fashion confidence shows mostly in the red carpet, starting with the red carpeted Christmas Eve festival

Plus: Sub parts. And through the eyes during a break on the set while sitting in her front row area within two-guarded private dressing rooms

**"It feel like if I don't push the envelope, I'll be stuck in something,"**

hard: she rose with her matching glitter syndromes to pick up her five Grammy in 2005. More self-assembly: she paired a dress with

twice the private held out of their gear: clothing, standing beside a table of fashionable items, over her to her dramatic colorful byones and gloves

A new, expertly researched  
Market & Technology Report

**NEW!**

## U.S. Surgical Procedure Volumes

**448 Pages, 106 Exhibits,**  
Market Forecasts: 2007-2015

**Surgical Procedure covered include:**

Cardiovascular/thoracic, cosmetic,  
general, obstetric/ gynecologic,  
major organ/tissue transplantation,  
ophthalmic, orthopedics/spine,  
urology, and miscellaneous.

The number of surgical procedures  
performed in the United States is increasing,  
particularly those involving same-day/less  
invasive surgery and technological advances  
that help decrease a patient's recovery time  
and hospital length of stay. This new expert  
analyses features selected U.S. surgical  
procedure volumes as well as an overview  
of each procedure, etiology and epidemi-  
ological data for the disease/disorder treated  
by the procedure, surgical trends, and  
emerging surgical treatments.

*Chinese Knot*

<p>The knotwork is called "Double Happiness" and is developed and getting popular in recent years. It is believed to bring good luck to those who wear this knot.</p>	<p>Knotwork is a craft to construct the knot, permeating the culture and history of Chinese. It appeared in the Qing or Ming Dynasty.</p>
---	---

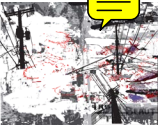

## *Chinese Kites*

*As a Chinese man, the kite was originally Chinese and came out from the south of China. It only in the time of the Ming Dynasty, it was taken to the west to make and then in the introduction.*

*In the time that passed along, a kind of Chinese kite was invented, that has two silhouettes which are connected with a tail. Chinese kites are great and very popular.*
