

FOR THIS PROJECT WE HAD TO RE-DESIGN OUR SCHOOL'S LIBRARY, WITH A FOCUS ON THE PLACEMENT OF LIGHTING FIXTURES.

WE WERE GIVEN THE EXISTING FLOOR PLAN, ALONG WITH SPECIFIC REQUIREMENTS TO FOLLOW TO USE AS WE RE-DESIGNED THE ENTIRE SPACE.

OUR CURRENT LIBRARY IS ONLY ONE FLOOR, TO MAKE THE SPACE APPEAR LARGER, I DESIGNED THE LIBRARY TO HAVE TWO FLOORS. THIS GIVES STUDENTS AND FACULTY MORE STUDY AREAS, AND COMPUTERS.
