

Arm your feet...

For your everyday excursion you need those urban boots to conquer the urban jungle. To find a good pair of these urban boots find your way to places like [NikeTown](#), [Foot Action](#), [Foot Locker](#), or visit these places on the internet. Don't let the street beat you in this battle, go and arm your feet...

Others try to compete

To fight this on going battle others have begun to fit there feet with competitors. Brands like [Redwing](#), [Eastland](#), and [Timberland](#) are popular choices for these asphalt warriors. To equip your feet with these urban boots will **cost** you somewhere between **\$120** and **\$150**.
