

Where there's a will there's a way.

A legacy gift is a testament to your love of family and country. You can do something heroic. And historic.

When you make a "legacy" bequest donation to The Lighthouse Preservation Society (LPS), you'll be helping to preserve our country's remaining lighthouses for everyone's education and enjoyment. LPS is a nonprofit organization and the proud recipient of a Presidential Achievement Award. For more information about LPS and "legacy" bequests, visit us online at www.lighthousepreservation.org, or call 1-800-727-BEAM. A legacy bequest is a testament to your love of family and country.

Keepers Of The Light
