A fine wine and food event supporting the Mission YMCA.

Join us Wednesday, November the fifth for the second annual San Francisco Mercedes Benz benefit for the Mission District YMCA branch. Enjoy the delectable cuisine from some of the world's top chefs while sipping rare, hand crafted wines from top wineries around the globe. All while raising funds to help build the new gymnasium for the Mission YMCA. Local community centers strengthen and bond communities, create safe places for children and the elderly to congregate and enrich the minds of people living in the neighborhood.
