## New Features

### Ice the kicker

When you call a timeout in the last 2 minutes of the 2nd and 4th quarters and you are in a 3 point game you can ice him to miss the field goal. Individual momentum is when the players are going through a cold or hot streak based on his play on the field.

### Custom Control Stick

Right analog stick can be modified to for quick attack actions to each direction.

### Fight for fumble

It is a new mini game inside the full game to see who wins control of the football after a fumble.

### Individual

### Momentum

In Madden 10 you can see whoes going through hot and cold streak.
