## Cool Japan Festival Logo

Variations:

Primary logo  
(without the tag line)

Vertical logo

Horizontal logo

Secondary logo  
(with the tag line- red option)

Secondary logo could be used when there is a space constrain i.e. when the font size of tag-line is not readable.

## Cool Japan Festival Logo

Smallest size:

This is the smallest possible sizes for all variants of the logo. If we reduce the logo more, then it wouldn't be readable.
