## THE DARCY

WASHINGTON DC

**Curio - A Collection by Hilton** is a global collection of distinctive four and five star hotels that offer travelers local discovery and authentic experiences in key markets. The word “curio” refers to something unique or even rare, just as each Curio hotel will be different from the next. Each Curio hotel has individuality as its common thread, along with the quiet reassurance of the Hilton name behind every location.

The hotel has been selected to be part of Hilton’s new luxury-lifestyle hotel collection, Curio. Our 226 room hotel with 7,500 square feet of meeting space including outdoor space ideal for the travelers to enjoy our modern and sophisticated design, explore our iconic neighborhood and enjoy the food and beverage options in the hotel. Our restaurant will feature the cuisine of a well-known, locally acclaimed chef and will be a destination for both hotel guests and locals alike.

Our location, 1515 Rhode Island Avenue, NW, Washington, DC is walking distance to the White House, the Historic P Street Corridor, DuPont Circle, the Metro, many Dining Options, Shopping and the best that the Nation’s Capital has to offer.
