Future Projects

Corporates can display their logo by contributing Rs. 1.2 Million for a year.

MMIH is a 332 bed tertiary care hospital project with state-of-the-art infrastructure that is designed according to the international standards. It is a not for profit set up. It is 100% donor funded project that aims to serve people regardless of their caste, creed, color, religion or ability to pay. It has a Patients' Welfare Program to support the needy.

The hospital has a covered area of 320,000 sq. ft. It is centrally air conditioned and designed to meet International Standards. It has 100% self power generation. Nursing School, Medical College and Research Institute are planned on 11.5 acres.

MMI HOSPITAL: The first project on completion will have multi disciplinary facilities.

NURSING SCHOOL: The second project would further enhance the quality of health care.

MEDICAL UNIVERSITY: The third project will provide medical education of international standard.

RESEARCH INSTITUTE: The fourth and final project planned will lay a foundation for medical research to further improve the quality of service
