

MINNEAPOLIS BWW TEAM PRESENTS BUSINESS BUILDING SEMINAR

FOUNDERS EMERALDS SARAT KOTHAPALLI

Sarat Kothapalli, who lives in Farmington Hills, Michigan, has put together a large Successful Global business and coaches many ambitious Entrepreneurs all around the Globe. He has excellent academic background and a valedictorian with Masters Degree in Computer Science. Sarat runs a Technology company, serving Automotive industry and providing career opportunities to many qualified Engineers.

Sarat is blessed with a wonderful wife, Lavanya (a former IT consultant) who is thrilled to be home and dedicated to give best values and education to their smart kids, Anish (12) and Advithi (5).

When business opportunity was presented, they were attracted to global potential of the business. They leveraged success principles and support from BWW and expanded their business from coast to coast in USA/Canada, Australia, UK, India and other emerging markets. Their passion is to help ambitious individuals who would like to leverage global trends to build their own global enterprise using proven education system and established resources of a global E-Commerce venture.

Sarat says “Every individual has a tremendous potential to succeed , if they are open minded, willing to educate themselves and follow proven success principles in pursuing their dreams with all their heart”. It is lot more gratifying when you stretch yourself to succeed Big than settling down for less in life.
