

*A place of outrageous hope & extravagant hospitality ...*

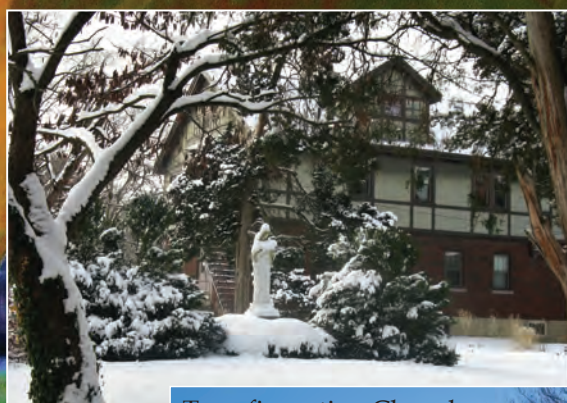

A place where the Community of the Transfiguration and the World come together, enriching each other in a spirit of kindness, simplicity and joy.

There is an emanation from the heart in genuine hospitality which cannot be described, but is immediately felt and puts the stranger at once at his ease. *-Washington Irving.*

## *Hospitality and Support That Will Enrich Your Visit*

The Sisters, Oblates and Associates of the Community of the Transfiguration are available to provide as much or as little engagement and assistance as guests desire. Individual retreats, day-long conferences, and overnight and weekend retreats are most welcome. Secular as well as religious groups of any faith are very welcome. For those seeking solitude and self-sufficiency, accommodations in one of the apartments in Grace Cottage or The Lodge is ideal. Larger groups find space for formal and informal gatherings in St. Mary's and Beth-Anna Cottage.

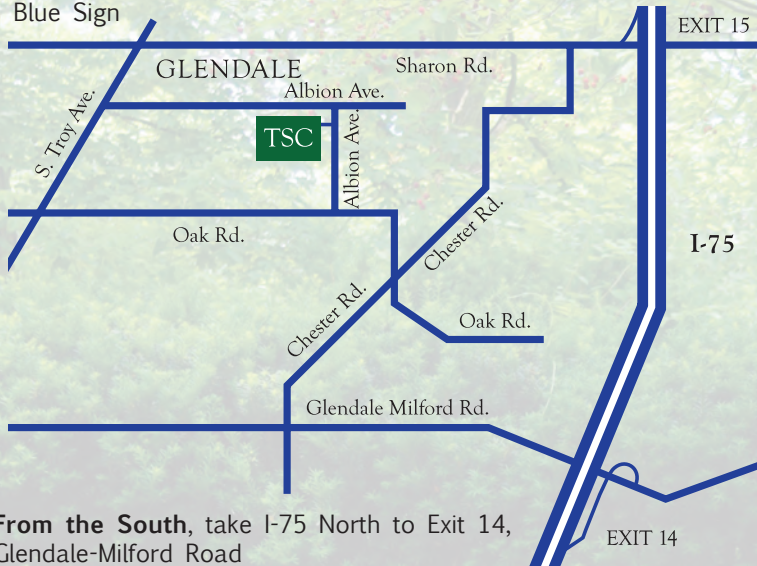

Rates are determined by the nature of the accommodations and the meals included. TSC offers a discount for students and clergy; those with special circumstances may be offered special rates as well. Reflecting the Sisters' century-old ministry of hospitality, the peace and tranquility of TSC are benefits readily affordable to all.

By special arrangement, TSC can provide a well-qualified retreat conductor to lead and facilitate weekend, week-long or day retreats, as well as trained spiritual directors to minister to individuals or groups.
