A screenshot of a mobile application interface. At the top, there is a dark grey header bar. On the left side of the header is the logo "Food at Night" in a white, cursive font. On the right side of the header is a small yellow sun icon with white polka dots. Below the header is a white search bar with a magnifying glass icon on the right. The main content area has a black background. It starts with the text "Onde quer comer?" in white. Below this text are five yellow, rounded rectangular buttons stacked vertically. The buttons are labeled "NORTE", "SUL", "CENTRO", "OESTE", and "LESTE" from top to bottom. The "OESTE" button is highlighted with a white border and a slight shadow, indicating it is the selected option.
