

# Joe Taylor's Top 3 Accomplishments as Former CEO of Panasonic

Newark's transformation into a tech-savvy city has been largely facilitated by the tech businesses based in the city, such as Panasonic. Under the leadership of former CEO Joe Taylor, the electronics giant moved its North American headquarters to Newark from Secaucus, New York, in 2013. Its arrival proved revolutionary for the city. Here are three accomplishments of former CEO Joe Taylor that contributed to Newark becoming a model tech-forward city. ▶
