

Initial Concepts

Hannah Jenkins

Based on my inspiration and brainstorming, I came up with 18 concepts, from the practical to the quirky, and many with additional function.

Client Presentation

I chose six concepts to present to CCP, including the four below, as well as two I developed further.

Bike Tunnel

- Shelter with clear glass for visibility
- Posters on inside and out
- Outside GSA, RCS, GU etc

Ticket Booth

- Sells tickets for all venues on Avenue
- Accessible so encourage sales
- Outside RCS and tourist areas

Poster Bridge

- Walk through posters
- Suspension wires structural & aesthetic
- Modular in height and width

Turning Pillar

- 3 drums spin independently
- Attached to wind turbine sculpture
- Attracts attention
