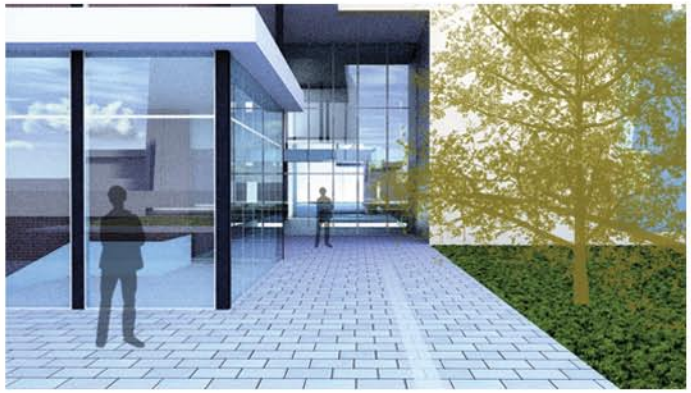
EXPANSION AND CONSOLIDATION OF SCHOOL OF MUSIC, U OF I

SHRADDHA RAIKAR
GRADUATE SCHOOL - SEM 01

third floor plan

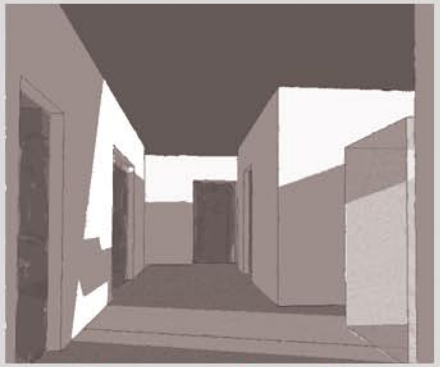
roof garden on the third floor

vertical section



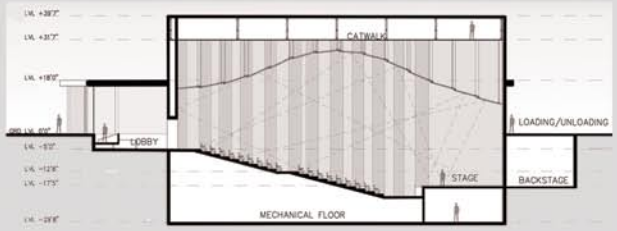
ramp leading to basement

A new **lobby** space connects the student entrance and the public entrance to the performance hall. A wide pathway in front gives the school more breathing space in the Urban context.



light introduced in existing corridors though glass blocks

New glass blocks are added to the existing brick building which will bring in **light** to the current dark corridors. they also help in giving a sense of **orientation** on each level.



section through performance hall
