

# What is Social Media?

Whether it's Facebook, Twitter or something else, how do we make sense of all the hype? Can you separate your professional and personal social media presence?

Join the conversation as we discover and explore handy social media tools.

If you have a mobile device, feel free to bring it along. Otherwise, we'll have computers you can use.

**WHEN:** Tuesday, March 8th, 2–3:30 PM

**WHERE:** Health Sciences Library, Lab B

**WHO:** Steve Pennell (*Manager, Health Education Technology and Learning*)  
Virginia Middleton (*Faculty of Medicine Communications Coordinator*)  
David Stokes (*Senior Instructional Designer*)
