# Hands Free Lighted Hat

Light where you need it,  
when you need it,

Batteries Included

A NEW concept incorporating the usefulness of the latest in LED technology into top quality headwear styles without sacrificing the look.

Imagine how helpful a hands-free light source can be. Use it wherever you could use some extra light.

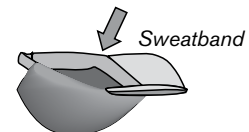

#### Features:

- Battery Life is 25 hours (traditional flashlights last 6 to 8 hours)
- Ultra bright LED's (20,000mcd's each)
- LED's can last up to 100,000 hours.
- Hidden switch in bill
- Water resistant
- Hidden Battery pack

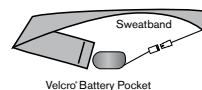

This product contains dual batteries for it's light source. For best results, do not mix old and new batteries. Do not mix alkaline, standard (carbon zinc) or rechargeable (nickel cadmium) batteries.

This product is not recommended for children under the age of 36 months.

## HOW IT WORKS

**Operation:** Step #1 Pull Orange Tab to activate the battery.

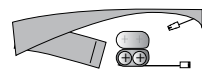

Step #2 Make sure plug on the inside of the hat tucked into the sweatband is connected properly.

Step #3 Wires and plugs tuck up under the sweatband for comfort.

Step #4 Locate on/off switch on the underneath side of the bill. Squeeze for on or off.

#### Easy Battery Replacement:

Step #1 Locate battery pouch hidden inside the sweatband of the hat. Find velcro tab and open.

Step #2 Slide out battery holders from pouch. (you may unplug the battery pack from the hat if desired) **Replace batteries with 2032 coin type batteries.** Slide battery holder back into pouch and close velcro tab to secure pouch and batteries.

**Washing:** Disconnect and remove battery pack, wash in gentle cycle and dry on low to medium heat.

Contains rubber or contains latex.
