

It's a  
baby shower!

We're having a party; we want you here!

**Jennifer's** pregnant; the time is near.

A girl is due, so the color is **PINK**

Vivienne's her name; she'll be cute as a wink!

We'll have cake, snacks and punch

Nothing quite as heavy as lunch

Grandma's in charge of games and fun

There's no telling what time we'll be done!

But come at **2 in the afternoon**

It is at the house with the pink balloon

Let's get Jennifer the necessary things

Ready for all that baby brings
