

JOHNNY!

REVOLUTION!

BYE

tonight?

GOOD

well Johnny doubled up with a royal flush

My twenty thrown down in my fist of rage
And the man to my left just folded down

there's not much left to play
Then dude walks in
had three jacks and a pair of nines

my mind is turning just two shots more

gotta throw it all down and

Black hat on top what a mop I'm lucky it wasn't a county cop
what to do my wallet's gettin thin
and I just lost my watch last night

well I gotta problem
just one answer

just running out of time Who's up for game two

a crazy game of poker (That was a crazy game of poker)
I Lost it all (I lost it all) but someday I'll be back again game three?
And I, never to fall. (never to fall) Who's up for game three?
whatcha doing tonight?
I can barely see
the bourbon drowning next to me
And I just lost it all well there's a man sittin next to m
Red with smilin eyes It's funny I don't have no money tonight!

He looked at me with a face full of fright

And Johnny walked in right behind me
and I didn't turn around
And I walked into the bar yesterday
Cause I had something to say
I heard the sound of his feet
falling on the ground
And I didn't turn around
