New arrival of T-Shirts collection

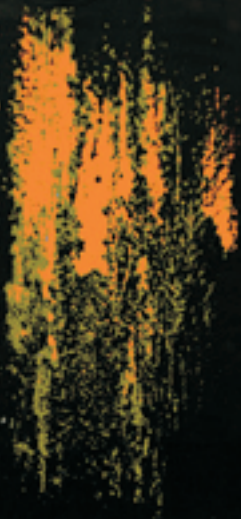

"people dont remember your Finger pritns  
its your personality that give you identity"

My new T-shirt collection 2010  
is themed on Grunge and it is  
specially designed for young-  
sters. It is completely based  
on my own photography of  
streets and walls of the town.  
Everything written on the  
walls are emotive.  
Thus I believe:

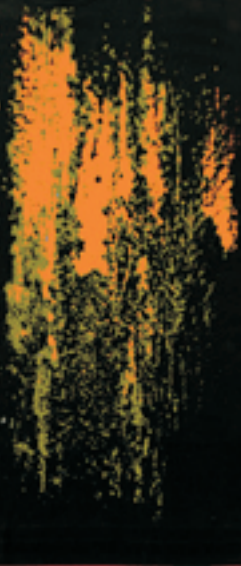

"Emotions  
can be expressed in  
any way"

MY SHIRT IS NOT DIRTY  
I'M A PAINTER IN FACT

MY SHIRT IS NOT DIRTY
