For more than 40 years, AliMed has been at the forefront of providing dependable, high quality, functional orthopedic bracing to support all your patients' needs.

With one of the widest selections of competitively priced products for both upper and lower extremities—from **Pediatric** and **Rehab** to **Post-Op** and **Contracture** braces—there's no reason to shop anywhere else.

Trust AliMed for functional design, durable materials, and quality construction.

Active/Rehab

FREEDOM® Hinged Plus Knee Brace is made with an 1/8"-thick cool, open-cell material with a large popliteal opening to minimize bunching behind the knee. Open patella with adjustable buttress provides comfortable positioning. Upper and lower circumferential straps have elastic segments for enhanced fit and comfort. Internal anti-migration strips help reduce slipping.

Sizing: Measure circumference of knee at center with leg extended. XS, 12"-13"; S, 13"-14"; M, 14"-15"; L, 15"-16"; XL, 16"-18"; XXL, 18"-20"; 3XL, 20"-22".
