

SNEAKERS have well established themselves in **POP** culture, always residing in **STREET CULTURE** and moved steadily to high fashion. **CUSTOMIZATION** therefore, has become necessary, not only to distinguish oneself through **SELF-EXPRESSION**, but also as a new temporary **ART** form.

From **PIRANESI** to **JOSHUA DAVIS**, artists have used **SUPERIMPOSITION** to collapse and reorganize space. **FILM** makers too such as **BUSBY** Berkeley and Federico **FELINI** also use **COMPOSITION** of 2D props and **SCREENS** to manipulate live action sets.
