

## First Time User

- First time the user signs into Livestand on a device.
- Non-Sticky: Automatically times out after three (3) seconds.

## Returning User - 24 hours

- If it has been more than 24 hours since the user launched Livestand, then the user is kicked back out to the User Card screen. Upon selecting his user card, goes to My Library, and displays this growl notification.
- Non-Sticky

# Growl: Signed In

First time user • Returning user (24hrs)
