

Too Quick - No Growl

If the user:

- 1) was signed into Livestand,
- 2) backgrounds the app, and then
- 3) returns to Livestand (where it last left off) in **LESS** than X minutes, then the growl notification does NOT display.

Where X =

- 60 minutes if only one user is signed into Livestand
- 30 minutes if more than user has signed into Livestand.

Less than 24 hours

- Non-Sticky

- If the user:

- 1) was signed into Livestand,
- 2) backgrounds the app, and then
- 3) returns to Livestand (where it last left off) in **MORE** than X minutes and less than 24 hours, goes to state where last left off, and growl notification displays. (See right)

Where X =

- 60 minutes if only one user is signed into Livestand
- 30 minutes if more than user has signed into Livestand.
