

“Edit Users” button

- “Edit Users” label dissolves to change to “Done”.
- IN: “Cancel” button fades in.

“Remove” (-) button

- Buttons appear and only display for user cards that are populated.

Tapping on the Remove button:

- Dissolves the current photo to a Livestand generic photo.
- User’s name dissolves into “New User” label.
- User card fades to be dimmed out.

“Done” button

- “Done” label dissolves to change to “Edit Users”.
- “Cancel” button fades out.
- “Remove” buttons fades out.

“Cancel” button

- Cancels all changes, and applies the same effects defined in “Done” button.
- If the user had removed a user card, then that card would dissolve into the original photo and username.
