Group Requirement = 1) linked to a show, or 2) minimum 3 members (and not have to be linked to a show)

Notes regarding TV show: 1) only the group creator can define the tv show. 2) Once the tv show is selected, not permitted to change it. 3) If the user created group from Presence list and didn't select a show yet, then can select a show later.

The image shows a social media interface with a conversation popup. The popup is titled "Big Bang Theory (3)" and contains the following messages:

- Albert: see everyone at 5:00 on thurs (4:52pm)
- Shinyi: The dunking contest has been dead since the last time Dwight entered. (4:52pm)
- Me: Bron should enter but he doesn't want to make a fool of himself. (4:54pm)

Below the messages, there is a status update: "Albert is now watching Victoria's Secret Fashion Show". At the bottom of the popup is a text input field and a "Send" button.

The background interface includes a sidebar on the left with "Activity", "Discover", and "Me" options. The main content area shows "NBA Basketball" and "Los Angeles Lakers" with "3 friends & 1,562 other". The right sidebar is titled "Presence" and lists:

- Discussion: NBA Basketball (588 people)
- Active (5): Albert, Shinyi... Big Bang Theory; Cameron Breaking Bad; Albert 24; Shinyi Big Bang Theory; Lintastic ESPN
- More Friends (5): Greg 24; Nui Big Bang Theory
- More Groups (13): Gleeks Group

Tap outside of the conversation popover dismisses the popup.

The screenshot shows a social media group interface. On the left is a navigation sidebar with icons for Activity, Discover, Me, and Settings. The main content area displays the group name "NBA Basketball" and "Los Angeles Lakers" with a subtitle "3 friends & 1,562 other". A "Group Options" menu is open, listing: "TV Show: Choose a show", "Group Name: Choose a name", "Group Members (3)", "Add Friends", and "Leave Group". On the right, a "Presence" sidebar shows the group name "Discussion: NBA Basketball", member count "588 people", and a list of active members including Albert, Shinyi..., Cameron, Albert, Shinyi, and Lintastic.

If the group is not linked to a show, then can only friends. Once a show is linked, then can add friends and "everyone" who has watched the show.
