Single Unit

Sizing

- 4 and 3 unit displays for floor
- 2 and 1 unit displays for counter tops
- Max size 11"W x 23"D x 68" H
- Min size 11"W x 17"D x 21" H
- Sizes include headers
- 4 and 5 unit displays have 3 additional shelves behind kick plate if needed

Design Notes

- Because all units are identical, if base is not required, only kick plate and rear leg are unused or put in storage.
- Kickplate, header, and rear leg nest neatly with identical units for efficient transportation.
