*For a trade-in to qualify it must include a competitive cordless tool and battery and be 14.4V or higher. Limit one trade-in per Milwaukee 18V qualifying cordless tool combo kit purchase. Trade-in only valid toward purchase of new Milwaukee 18V cordless tool or combo kits shown above (i.e. not valid toward purchase of batteries, accessories, radio, reconditioned Milwaukee tools, etc.). Trade-in discount can only be applied to new qualifying purchase at the time of accompanying trade-in. No raincheck. Not valid with other offers. **Valid through 10/31/10.**
