

Procurement and Contracts

DLT differentiates itself with outstanding procurement services. It stands apart from other resellers by offering one-hour quote turnaround, pre-sales configuration support and fast, flexible ordering. In addition, DLT continuously works to offer all its products and services on your procurement vehicle of choice.

DLT's portfolio of contracts is constantly expanding and currently includes the following government-wide acquisition contracts (GWACs), state and local vehicles, and agency BPAs: (If you do not see your procurement vehicle of choice listed here, please speak with your DLT representative.)
