### Blended Learning Bundles

#### Why?

• This offer allows you to augment your classroom instruction with eLearning that completely maps Red Hat's classroom training. Use it for post-class reference or as a "Prep Pack" to reinforce existing skills before you even hit the classroom!

### Success Packs

#### Why?

• On average, about one-half of test-takers pass the RHCE or RHCT on their first attempt. But as you might expect, this rises to three out of four with a second attempt! This extra exam re-take is a great opportunity to increase your chances of successfully passing your exam.

\*Please note you have 6 months from the purchase date to re-take the exam.

**Purchase your Blended Learning Bundle or Success Pack  
from DLT before September 30, 2006 and save 10% off GSA!**
