

FOUR SEASONS OF FUN...

Carleton students love to talk about Minnesota weather. From our hot, sunny summer to our crisp autumn and snowy winter, we make the most of all kinds of weather. Carls like to tube down the Cannon River, skate on our quad's ice rink, and run, study, or just hang out year-round in Carleton's 880-acre Arboretum. No matter where you're from, we know you'll enjoy Minnesota's four seasons.
