

Produced from Soury Olives, an ancient variety grown in the diverse topography and microclimate of Deirmimas, a small village overlooking the Litani River in the mountains of Southern Lebanon. ZéTûne meaning olive, brings over 400 years of olive oil expertise and endless passion for quality, innovation and tradition.

The olives are hand harvested and crafted with a cold stone press, creating a delicately balanced and diverse array of aromatic flavors, unique to every personally numbered ZéTûne bottle. Enjoy with bread, salads, meats, pastas or even as a substitute for butter.
