

Floyd Mori

From the fields of Utah to California's State Capitol, Floyd Mori continues to drive social change by being a mentor for his community. Dating National President ng Japanese American Citizens League, si Floyd ay patuloy na nagsasalita tungkol sa mga isyu na nakakaapekto sa milyon-milyon na Asian Pacific Americans. A proud 23-year AARP member, Floyd dotes on his 11 grandchildren and helps displaced Vietnamese fishermen on the Gulf Coast find ways to make a living. Tulad ni Floyd, i-enjoy ang suporta at resources para sa buhay na 50+ by becoming an AARP member.
