

The perfect solution to healthy eating on-the-go

JIB

fresh + local

We're a locally-sourced sandwich shop located in downtown Boston. We aim to provide commuters and students with a healthy and sustainable solution to fast food. Our menu was inspired by the New England region - including seafood, dairy products and local ingredients.

Lobster bought from Massachusetts fishermen due to their sink-line fishing process, which helps to reduce risk of large-whale entanglement ▼

◀ Quilition-free, biodegradable parchment paper

JIB
fresh + local

▲ Non-coated biodegradable cardboard manufactured from 100% recycled materials

▶ Bread bought from local bakeries helps reduce gas emissions created during shipping process, while also encouraging local economic growth
