

# RUDRANSH MATHUR

I am a visual communication designer / new media artist with a passion for motion and interaction design.

## DESIGN BACKGROUND

Worked on numerous **motion graphics** projects including the logo animation for **LeNS sustainable design conference** & Kalpaneya Yatre (Astronomy festival, bangalore planetarium)

Conceptualised and designed 3 mobile applications for **Nokia** which are currently in the process of patenting and development.

Selected as an **indian representative** in the international youth meet "**Jeunes Du Monde**" Toulouse, France

Selected as one of the 100 dream catchers to travel the length and breadth of India and capture peoples dreams in a video interview as part of **IDIOM's DREAM:IN journey**.  
Further selected as one of the 21 dream scholars who got to work on projects to convert these dreams into reality.

Currently working on developing an **alternate reality game for the iPad & iPhone**. It is a multiplayer game that encourages gamers to go out and explore their city as well as interact with other players in the real world.

## EDUCATION

2010- Current: Professional diploma programme, Srishti, bangalore

2008- 2010: Foundation studies programme, Srishti, Bangalore

2006- 2008: HSC (Class XII), Fergusson College, Pune

2006 : CBSE (Class X), Sanjeewan Vidyalaya, Panchgani

## SKILLS

Adept at identifying problems and coming up with a quick and effective solution using available resources.

Good listening and observing skills and the ability to work in a group with different personalities.
