

hassle-free imaging. it's a beautiful thing.

The Christ Hospital Imaging Center on Red Bank Expressway makes imaging easier than ever. We are conveniently located and have plenty of free parking. Plus our evening and weekend appointments make scheduling a breeze. We also have advanced imaging options, including CT, digital mammography, general and vascular ultrasound, DEXA bone density scanning, X-ray and the region's **only** Open MRI **with Ambient Experience**.™ It's imaging the way you want it. And that's a beautiful thing.

Schedule your appointment*
by calling 513.564.1340

*A physician's order is required for all non-screening mammography tests.
