

THE MOST IMPORTANT
IMAGE WE PRODUCE
is this one.

When you look inside our imaging center, there is one thing you will find:
Absolutely everything you need.

At The Christ Hospital Imaging Center on Red Bank Expressway, we have all the imaging capabilities, including digital mammography, digital X-ray, CT scan, Heart CT scan, general and vascular ultrasound, DEXA (bone density) scan and Open MRI **with Ambient Experience.™** We also have exceptionally high standards for how we treat our patients.

So, take a look at what we have to offer. We think you will be very pleased with what you see.
