I am pleased to present my resume to you for a full time Graphic Artist Position. With 12 years of experience in art and graphic design field, I am confident that my educational background and professional abilities will be a valuable asset to your distinguished team.

I've worked in the apparel industry as a graphic designer for over a decade. It's been a great experience which has taught me a lot about the industry and creating art in a fast paced environment. On a daily basis, I would create artwork using my knowledge of color, composition, anatomy, and flow to produce original and conceptual designs. In my last position as a Lead Graphic Artist, I created designs from newborn apparel to young men's wear that catered to high end retail suppliers. I was in charge of conceptualizing visual themes and execution of projects. These ranged from delicate and fun animated children's designs to new and current young men's designs. In addition, I was also in charge of material management in creating color separations, and screen-prints in producing sample garments.

While working in the apparel industry, I started to venture into other spectrums of Graphic Arts and Design through Freelance. I've worked on Packaging, Logo and Ad Designs, Book Illustrations, App Designs, Conceptual Art, Photo Retouching, Digital Painting, and Licensed Art. This has allowed me to expand and improve my skills which resulted in successfully diversifying my creative portfolio.

I consider my classical training in Drawing, Painting, Sculpting and Photography strong attributes. These proficiencies have enhanced my artistry to thrive in the Graphic Design field. These traditional foundations have been the backbone of my creativity and the driving force of my art career.

The skills and experience that I've acquired have sharpen my talent as an artist. It has allowed me to communicate and express my creative vision effectively. I look forward to new challenges that will let me explore my artistry. I'm enthusiastic about the next step in my career, where I can grow and be a great asset in creating exciting and innovative art.

Sincerely,

Justin Pearlman
