#### Quality Ingredients for a Good Nights Sleep

##### INGREDIENTS

JuJube Date Extract	The JuJube Date has been used in traditional Chinese and Korean medicine for over 4,000 years to calm the nerves and alleviate stress. Described as a miraculous health tonic, able to nourish the blood, liver, and spleen while detoxifying the body.
Elutheroococcus Senticoccus Root Extract	Also known as Siberian Ginseng Root, Senticoccus possesses antioxidant properties used to normalize elevated blood sugar (glucose) levels, which can, in turn, improve the body's ability to handle stress and normalize sleep patterns.
Helicidum Extract	Known by ancient Chinese as Doufugou, Helicidum has been used for centuries to cure insomnia, lift moods, calm nerves and provide pain management. Historical use of this herb however is treatment for sleeplessness.
Schisandra (fruit) Extract	Schisandra is known to alleviate mild depression, headaches and sleeplessness, widely utilized in ancient cultures to counteract the toxic effects to the body's muscles brought on by stress.
Hops (fruit) Extract	Hops have been used for centuries by European herbalists to alleviate sleeplessness, nervousness, and mild discomfort.
Reishi Mushroom	Reishi, used for more than four centuries. This "herb of spiritual potency" can normalize blood pressure alleviating chronic fatigue, help mild anxiety, and counteract the effects of excessive stress.
Red Sage (Root) Extract	Traditionally used to stabilize the heart and calm the nerves. Red Sage is still used to prevent and treat heart conditions and strokes in many Asian cultures.
Mother of Pearl (powder) Extract	Mother of Pearl is an organic-inorganic composite material noted mainly to regulate emotions, such as irritability and nervousness.
Rice Bran	Rice bran is being hailed as the new super-food, containing 120 antioxidants. With B vitamins and Vitamin E complex, only found in rice bran, wake-up renewed everyday.
