**this potting mix is...**

*Recycled Green Material:*  
Agromin Potting Mix is made from all natural recycled ingredients, and goes one important step beyond being just high quality soil - it also helps the planet by completing the green loop.

*Natural, Living Soil:*  
Agromin's recycling process maintains and cultivates the natural living component in soil, the important organisms that are required for organic nutrient release, turning minerals into a form that plant life can use.

**Ready-to-Use:**

- Use a pot with a drain hole.
- Fill about 1/3 full.
- Loosen root ball, put in pot.
- Add more mix, press lightly.
- Water and let drain.

Size	1 Pot	2-3 Pots
4" Pot	1 Bag	2 Bags
6" Pot	1 Bag	2 Bags
8" Pot	2 Bags	3 Bags

Use this chart to determine amount of potting mix needed by volume.

**5 By Quarts (5.5 Liters) Net Weight: 5.1 lbs**
