

We've expanded our *Joseph* Collection...

## Introducing *Joseph* Sportswear

*Ideal for a night out on the town! This collection features must-have pieces that have a casual feel with a slimmer fit for a modern look.*

Start with our new Joseph long-sleeve hidden buttondown collar sportshirt. Available in casual patterns, this shirt has a slimmer fit and is meant to be worn untucked.

Add one of our new merino wool blend Joseph sweaters. Offered in a number of easy silhouettes, but designed with a modern twist, these sweaters are ideal for layering over our Joseph sportshirts.

Pair with our new Joseph 5-pocket twill pants. Also a slimmer fit, these modern-styled pants come in a lower rise and have a micro-sand finish for ultimate comfort and softness.
