

Your Full Service Dealer, with Quality Sales, Parts & Service | [www.agindustrial.com](http://www.agindustrial.com)

### **Model 721DT**

**Diesel power and fuel efficiency.**

- 21 hp 3-cylinder, liquid-cooled Kubota diesel engine.
- T-Drive™ hydrostatic transmission with tandem 12cc Parker Hannifin pumps-in-reservoir, in-line CoolFan™ for cooling efficiency and long service intervals, design-matched Parker high-torque wheel motors.
- Bar tread, low-pressure, high-flotation tires.
- 52- and 61-inch (132.1 cm) and ( 154.9 cm) DuraMax® decks
- Accepts Grasshopper's complete line of year-round implements.

### **Model 124V-48**

**Designed for durability and long service life.**

- Briggs & Stratton 24 hp Commercial Series OHV V-Twin engine offers extended service intervals and longer life
- Design-matched, fully hydraulic Parker HT Series integrated pump-and-wheel-motor transmissions with in-line cooling fans have no gears or other wear parts for longer service life. Best-in-class 300-hour transmission fluid change interval with no break-in period reduces cost and time of maintenance.
- 5.5-inch, extra-deep, 48-inch-wide (121.9 cm) Dura Max® side discharge deck with optional mulching and vacuum collection capability using the same deck
